

REMARKS

A Notice of Appeal is being filed concurrently with this response. Claims 4, 6, and 8-11 are being amended in accordance with M.P.E.P. § 714.13 because they will only require a cursory review by the Examiner in preparing the claims for Appeal. In particular, Claims 4, 6, and 8-11 have been amended to correctly provide antecedent basis for the term “cap.” Applicant also gratefully acknowledges that the Examiner has entered the amendment to Claim 28 which was presented in an amendment dated April 15, 2008. Applicant respectfully requests that Examiner enter this amendment following Final Rejection because it places the present application in better form for Appeal.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
